Town Commission Agenda Item Report

Meeting Date: September 12, 2025

Submitted By: Lucila Lang, Finance Director

Item Type: Resolution

Subject Title: RESOLUTION 2025-41-A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAUDERDALE-BY-THE-SEA, FLORIDA, ESTABLISHING THE FINAL FIRE ASSESSMENT RATE ON PROPERTY THAT IS SPECIALLY BENEFITED BY THE FIRE PROTECTION SERVICES FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2025 AND ENDING SEPTEMBER 30, 2026; PROVIDING FOR AN INCREASE IN RATES FOR FIRE PROTECTION SERVICES; DIRECTING THE PREPARATION OF AN ASSESSMENT ROLL FOR FIRE PROTECTION ASSESSMENT AREA-TOWNWIDE; CONFIRMING THE FINAL ASSESSMENT ROLLS AND LEVYING SUCH SPECIAL ASSESSMENTS.

Explanation: The Fire Fund is a special revenue fund dedicated exclusively to financing fire protection services for the Town. In FY2025, these services were provided under contract with the City of Pompano Beach. However, the City has elected to terminate this agreement.

As a result, the Town will be billed for actual transition-period costs while simultaneously working to secure a new long-term service provider to ensure uninterrupted fire protection.

This transition presents both operational and financial challenges, requiring the Town to evaluate service delivery models, negotiate contractual terms, and prepare for the likelihood of higher costs in order to maintain the current level of emergency response and public safety.

The Fire Assessment is the Town's third-largest revenue source and, by law, may only be used to fund fire protection services. At the July 8, 2025 Commission meeting, the Commission approved an increase in rates to \$303.39 per residential unit and \$0.45 per square foot for commercial properties.

This adjustment is necessary to align revenues with projected expenditures and to ensure that the Town has sufficient resources to cover the actual costs of providing fire services in FY2026. The increase reflects a proactive approach to safeguarding the Town by maintaining financial stability while navigating the transition to a new service provider.

Staff recommends approval of the FY2026 Fire Assessment rates as adopted by the Commission to ensure the continuity of high-quality fire protection services for residents, businesses, and visitors.

Recommendation: Approve Resolution 2025-41.

19 allocating and apportioning the cost of fire protection services among parcels of benefited
20 property; and

21 **WHEREAS**, the Town is empowered by Chapter 170, Florida Statutes, as amended, and
22 by its Home Rule powers, to levy and collect fire protection services assessments to defray the
23 costs associated with the provision of fire protection services; and

24 **WHEREAS**, the Town Commission has determined that all properties within the Town
25 that specially benefit from fire protection services shall be assessed for the costs of those services;
26 and

28 allocated through the use of assessment methodology; and

29 **WHEREAS**, the Town Commission has provided notice and has conducted a public
30 hearing to consider, discuss and hear public comment regarding the fire protection services
31 assessments for the 2025/2026 Fiscal Year and a maximum rate for both residential and non-
32 residential properties; and

33 **WHEREAS**, the Town Commission finds that the Town's fire protection services
34 assessment program should provide for partial year assessments against specially benefited
35 property that is certified for occupancy after October 1, 2025, and that such assessments shall be
36 fairly and reasonably apportioned.

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE
TOWN OF LAUDERDALE-BY-THE-SEA FLORIDA, THAT:**
