IV. NEW BUSINESS

Request: The Planning and Zoning Board to provide recommendations to the Town Commission to the proposed amendments to the Towns' Code of Ordinances.

Item #1: Permitted uses in the B-1 and B-1A Zoning District

At the July 14, 2010 Commission Roundtable meeting, direction was given to staff to broaden the code to become more business friendly. Consultant Walter Keller reviewed the existing business uses and commonly accepted business uses in the B1 and B1-A zoning districts. Walter has provided a suggested listing of uses for your review and recommendations. (Walter Keller, Consultant)

Item #2: Amendments to Section 30-313 (31) Accessory Buildings and Structures.

At the June 9, 2010 Commission Roundtable meeting, direction was given to staff to move forward with drafting an ordinance amending the code to address sheds and storage containers that do not require a permit. (Jeff Bowman, Director of Development Services)

Item #3: Amendments to Chapter 30-22 Adopting Zoning Relief Procedures (Town Attorney Susan Trevarthen)

At the Town Commission meeting of July 27, 2010, the Commission authorized moving forward with amending Chapter 30 "Unified Land Development Regulations" of the Town Code of Ordinances by creating Section 30-22 "Zoning Relief Procedures" to provide for a zoning relief procedure to address possible unintended violations of federal and state laws in the application of the Code or its related rules, policies, and procedures. This proposed amendment provides a preventative procedure to protect the Town from legal challenges, and facilitates the resolution of disputes.

Item #4: Amendments to Chapter 30-501 Adopting Severability Provisions to the Sign Code. (Town Attorney Susan Trevarthen)

At its meeting of July 27, 2010, the Commission approved the Notice of Intent to move forward with amending Chapter 30, Article VIII, Sign Regulations, of the Town's Code of Ordinances. These revisions to the sign code enhance severability provisions, resolve internal conflicts, and enhance defensibility in light of recent case law. Several minor changes have also been made to address inconsistencies and implementation issues identified by Town staff.
